Cookies are small files that can be automatically stored in your browser's memory by our Website (https://emailsecuritychecker.com), if you agree. Using cookies allows the Website to access and retrieve stored information on your computer as needed.   On our Website we use cookies and other monitoring technologies to see how you use our Website and our services and provide you with a good experience when you browse our Website and use our services, to distinguish you from other users and to improve the Website and our services. Sometimes we allow third parties to use their cookies on our Website in accordance with our Privacy Policy.

We use the following cookies:

Strictly necessary cookies - these are the cookies that are required for the operation of our Website. By using these cookies, we ensure that the Website works correctly and that it is safe to use it:
